**MEMORANDUM FOR COMMANDERS, DEFENSE CONTRACT MANAGEMENT
DISTRICTS**

**SUBJECT: 1997 Defense Corporate Executive (DCE)/Corporate Administrative
Contracting Officer (CACO) Conference**

The 1997 DCE/CACO Conference is scheduled for April 30-May 1, 1997, in Los Angeles, CA. This conference is one of a small number of approved conferences for 1997, and your support is extremely important. Two DCE/CACO conferences were originally approved for 1997. In order to reduce travel expenditures, however, only one conference will be held. This will be a working conference (e.g., no "guest speakers" and no fluff). Every effort is being made to ensure that only topics essential to the mission success of our DCEs and CACOs are included on the agenda (e.g., the overhead close-out initiatives, pending changes to the proposal process, Cost Accounting Standard 413 pension guidance, executive compensation caps, Contractor Insurance/Pension Review refocus efforts, and environmental and legal issue updates). Attendees will come away from this conference better prepared and better armed to meet DCMC's objectives.

I encourage you to support this conference by ensuring the applicable CACOs attend. The Command's POCs are Lt Col Mike Falvey, Team Chief, DCMC Overhead Center, (DSN 427-3395) and Mr. Mike Cullen, Overhead Process Champion, DCMDW (DSN 972-4370). Have your CACOs contact them directly for additional information.
